

# Start scaling your MSSP business

## Why choose SentinelOne for your MSSP?

Companies nowadays struggle with stepping up to the next level to become MSSPs. High prices and rigid consumption models have made it impossible for small and medium-sized businesses to get started. With the SentinelOne MSSP Programme for Exclusive Networks, partners can access MSSP technology through flexible consumption models and scale effortlessly.

SOC and IT Operations are empowered thanks to the SentinelOne Singularity Platform. It allows a more efficient way to protect information assets against today's sophisticated threats.
